

Restore Hope Resource Database

This database is intended to help individuals locate organizations offering services to women experiencing homelessness. This is not an exhaustive list of services in any city, but the Restore Hope Team strives to include as much information as possible. We advise calling before going to an organization to confirm the information provided is still correct. If there is an error in the information listed or you know of a resource that could be included on the list, please email us at resources@restorehopeforwomen.org and let us know!

On a desktop or laptop computer:

Resources are displayed in a table format for each city. Scroll up or down within the table to see additional resources. Scroll side to side to see more information about a resource. To see all of the information about a specific resource at once, place your cursor over the resource name and click on the two arrows next to the name to expand the record. Scroll up and down within the pop-up listing to see all information about the resource. Click the up or down arrow in the upper left of the listing to move to the previous or next listing or click the "x" in the upper right corner to close the listing and return to the full database.

To search within the database, click on the magnifying glass icon in the upper right corner and type a search term. This is helpful to locate all organizations providing a specific service or that are located within a specific borough or ward. All listings that contain the specified term will be highlighted.

If you wish to download the database information for a city, click "download CSV" at the bottom of the table. Please note, the downloaded version will contain the information as it was at the time of the download. You will need to access the web version to see any future updates or additions. To view the database in a separate window, click "view larger version" at the bottom of the table. When viewing the larger version, you will only see the resources from the list you have chosen. Return to the Restore Hope website to view resources in another city.
